EDUCATION

- **MA Cinematography for Film and Television from [Bournemouth University, England.](#)**

(Sep 2022 - Sep 2023)

I have acquired a comprehensive command of the cinematic craft. This esteemed program cultivated my expertise across the entire filmmaking spectrum, encompassing visionary ideation, strategic planning, meticulous equipment selection, and refined post-production finesse through Adobe Creative Suite. As a consummate professional, I stand ready to infuse any project with a harmonious blend of technical mastery, creative ingenuity, and unwavering dedication to artistic excellence.

[Masters Showreel, 2023](#)

Additional Certifications during my masters:

1. BAFTA/ ALBERT Certified: Applied Skills for a Sustainable Media Industry
2. ARRI Certified: Training for Camera Systems

- **MA Mass Communication and Journalism from [University of Kashmir India.](#)**

(July, 2017 - March, 2020)

This qualification has provided me with invaluable insights into communication theories, feedback mechanisms, advertising strategies, and more. It enhances my proficiency in cinematography by offering a nuanced understanding of storytelling and audience engagement across various media platforms.

- **Bachelors in Science and Information Technology from [Sri Pratap College, Srinagar, India](#)**

(March, 2014 - April, 2017)

This degree equipped me with strong problem-solving skills and a keen attention to detail. I developed a solid foundation in computer science, physics and mathematics. This rigorous academic background has shaped me into a methodical thinker, fostering resilience and precision in approaching challenges in life and within the field of media production.

Internship: Social media Content Creator / Post Card Kashmir, India.

(August 2019)

I worked as self shooting intern during my masters in communications and journalism. Improved my self shooting filmmaking and editing skills during this internship.
